Overview

GSAXcess.gov is the entry site for the Federal Excess Personal Property Utilization Program and the Federal Surplus Personal Property Donation Program operated by the General Services Administration. Your agency can report excess personal property for transfer by GSA to other Federal and State Agencies for Surplus Property (SASPs) as well as search for and obtain excess personal property. Your agency can also report and transfer excess computers and peripheral equipment to schools and educational nonprofit organizations through the Computers for Learning program or post your CFL transfers done outside our system. This site is not intended for the general public.

High Mobility Multi-Purpose Wheeled Vehicles (HMMWVs) are now available for transfer and donation. Donation recipients will be required to sign a Conditional Transfer Document and the linked Hold Harmless Statement.
